In-Direct Sinus Lift Activation Course

Lecture + Hands-on

ELEVATE YOUR IMPLANT SKILLS IN ONE POWERFUL COURSE.

Learn the art of **indirect sinus lifts** using the precision-driven **Hiossen CAS Kit**, combined with the advanced healing benefits of the **Hiossen CA Implant**.

Whether you're looking to expand your procedural toolkit or refine your current skills, this course will guide you through minimally invasive sinus elevation strategies designed for precision, safety, and predictable outcomes.

- ✓ Hands-on training with CAS Kit and CA Implant
- ✓ Safe, minimally invasive sinus elevation techniques
- ✓ Immediate clinical application
- ✓ Perfect for beginners and experienced clinicians alike

You'll also gain a deep understanding of the Hiossen CA Implant that promotes rapid healing and optimal osseointegration.

Walk away with confidence, skill, and a deeper understanding of predictable sinus lift outcomes.

Expand your network. Sharpen your expertise. Redefine your implant success.

COURSE FEE INCLUDES:

1 CA Active Implant +
1x Xenograft Powder (vial – 0.5cc)
